Ottawa, Illinois – The Illinois Department of Transportation announces that the traveling public should expect delays on Illinois Route 23 at the Veterans Memorial Bridge in Ottawa beginning Tuesday, September 6 through Thursday, September 8, 2016 for routine maintenance. Traffic will be reduced to one lane both northbound and southbound at different times.

The department regrets any inconvenience this will cause and asks that motorists proceed with caution through this area.

Please slow down and use extreme caution while driving through all work zones.

***WORK ZONE SAFETY***  
***IT'S YOUR RESPONSIBILITY***
